Large range of accessories and spare parts please find at www.birchmeier.com
Further details to the sprayer compatibility with specific chemicals e-mail us at info@birchmeier.com or see www.birchmeier.com

Important:
Ecause of differences in conditions (concentration, temperature, pressure etc.) and composition of chemicals / fluids the recommended colour coding black / red / blue are only guidelines and should not be taken as binding. For these reason we cannot give any guarantees as to the correctness of our recommendations in individual cases.

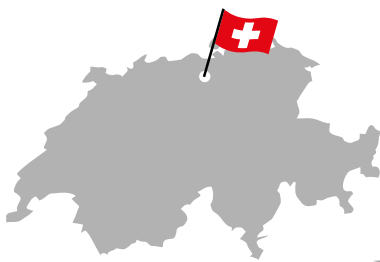

Made in Switzerland

SMART UND SWISS

Products from Birchmeier

Since 1876 Birchmeier has been manufacturing high quality sprayers, foamers and dosing units for gardeners, farmers, trade and industry. Functional and durable quality for demanding users.

What we offer

- Leading product quality for professionals and private individuals.
- Wide range of sprayers, foamers, dispensers and spreaders, plus an extensive range of accessories to guarantee optimal solutions.
- Broad marketing and sales support.
- Powerful logistics for seasonal demands.
- Innovative products developed by us for maximum customer benefit.

For us «Made in Switzerland» is a commitment to deliver quality and reliability. We have always developed, manufactured and assembled our products in Switzerland. Since 1876.

10 Years Spare part and Service Guarantee

Repairs and maintenance!
We guarantee the supply of spare parts for up to 10 years, so our customers are sure to benefit longterm from the quality of Birchmeier products. Comprehensive range of spare parts and accessories for optimum operation and maximum service life.

Birchmeier – Your competent partner for spraying, foaming and dosing.
